DIVISIONS / SCHEDULING

- Depending on which time zone you sign up from, you will be grouped in A, B, C (see chart).
- In the B group, CAP/OrgComm will assign you to either **Green** or **Red** divisions with the aim of having as equally sized divisions as possible.
- In B group, you can leave a strong preference upon registration, but we ask you to remain flexible until assigned:
Green Division – paired with C group (east of Europe), debates in the morning
Red Division – paired with A group (west of Europe), debates in the evening
- OrgComm will host three prelim debates, of which your team only attends in two:

	A	B Red / Green	C	CET (B group)
1	FREE	Prepared debate Green Division		Morning
2/1		One Impromptu for all		Afternoon
2		Prepared debate Red Division	FREE	Evening

→ Like this, all teams have two daytime debates per day (one prepared, one impromptu).

Notes on scheduling:

These schedules are mere attempts at providing a standard. We believe the inround schedule to be rather straightforward and manageable.

The outround times are not written in stone, and depending on the pairings, can be re-arranged. The schedule can be then used as a reference. However, they are intended to be impromptu debates, and for the time being, we'd prefer to operate with just one debate motion per round.

We hope we can provide you with a WSDC tournament that will fulfill your expectations! There will be much more fine-tuning and information as we go.

Until then, please follow us on Facebook (EurOpen 2020 Online) or on our webpage www.europen-debate.net for updates. We suggest you sign up with the [WSDC NETPALS](#) mailing list, through which we also advertise.

Please write us at europen@schoolsdebate.de for questions and suggestions.

Looking forward to seeing you all in the digital world!

Kindest regards,
