

Newsletter 2 – Registration Info

Dear All,

The time has come for the registration process to start. Accordingly, have dedicated this issue of the newsletter for information about registration. Registration will be done in three steps, about which you will find detailed information below. We will use the next newsletter that will be published in a couple of weeks to share exciting organizational updates. If you have any questions feel free to e-mail my team or me. In the mean time, we are in the process of updating the website. Whilst most of the information is up, we will be working on it through the summer.

Cheers from Antalya,

Mert Önen
Convener, WSDC 2013

Step 1

Dates: June 8 – August 8

As this may be the biggest WSDC to the date, we wish to allow delegations to provide information very early on. This phase is not binding and registrants will not be asked to pay any fees. Whilst the non-binding team cap is set at 60 teams, we will make the necessary arrangements to accommodate the extra teams if we receive more than 60 registrations.

At this phase we will be asking basic questions such as the size of your delegation. Each delegation is allocated eight spaces. Should they exceed the allocated number, extra participants will need to pay an observer fee of 600 euros, instead of the regular fee of 475 euros.

You can reach the registration form online at www.wsdcturkey.org

Step 2

Dates: Sept 7 – Oct 7

At this phase of the registration process teams are asked to make the first half of their payments and send in the official forms, including indemnity forms, agreement to the tournament rules and guidelines. This phase of the registration is "first come first serve" and although very unlikely should there be a case of team cap being met the first come first serve principal will be applied. Any payments made during this phase are non-refundable.

We strongly urge the teams to check the Minister of Affairs website to confirm their visa situation and start their visa process as soon as they have received confirmation of the receipt of payment.

Step 3

Dates: Nov 9 – Dec 20

This is the final stage of the registration where participants are asked to send the rest of their payments and all the necessary information remaining. Unfortunately we will not be able to accommodate any participant with any missing payments or missing necessary information after this deadline.

Details regarding payment and final payment will be released before the Final Registration phase.
